##### FC 2020 Community Partnership Grant Application

This year's Community Partnership grant application is completely open to all applicants. Unlike in previous years, all nonprofit and governmental entities operating within the boundaries of Franklin County for a minimum of 3 years are eligible to apply for funding. Organizations may submit a single request for no more than \$500,000. Although the maximum amount an agency may apply for is \$500,000, we anticipate average grant awards in the range of \$100,000 to \$150,000 as this will allow the Commissioners to have the greatest reach into the community. The funding period is from January 1, 2020 to December 31, 2020.
